As we will be working to strict guidelines, numbers are limited so please book in advance to save disappointment. Extra classes for show season and costume hire fee will be subject to a separate payment which parents will be notified nearer to show time. Refunds will not be given for missed classes.

Data Protection

There is a brand new data protection policy now in effect for everyone working with children. We are very happy to follow all guidelines as it ensures safety for all our students. With this new policy, all data that was previously given to us by parents / students will now be destroyed and a new online data base will now take effect. Any information given will only be used by Nicole and the Steptacular School. Any photo or film taken in class by a teacher will be for school use only and permission will be needed from all parents to do this.

Attendance

Full attendance from all students is crucial. If a student is unable to attend class, please notify the school at your earliest convenience. During show season, intensive workshops will be held to learn show pieces. Every student must attend these important classes in order to take part in the show.

Dress Code

All students must wear appropriate dance wear to class, this includes dance shoes. The dress code is designed to help students perform better and see themselves as a cohesive unit. We are asking the parents cooperation in this matter. A Steptacular Stage School Hoody is available. Please see form for more details.

Costumes

A small costume fee is required from every student for the summer and Christmas show. This is to allow us hire the best quality costumes for all students. This fee can be paid with term fees or separate nearer show time. These costumes are on a hire basis and do not belong to the student, so proper care must be given.
